

## THE WOOL TRADE.

A Summary given by the Commercial Bulletin of Boston.

Boston, Dec. 27.—The Boston Commercial Bulletin will say tomorrow in its annual review of the wool trade:

Wool at the close of the year averaged three cents a pound higher than at the beginning. Boston has done the largest business in her history, the sales for the year being 2,275,773 pounds, of which 1,521,329 pounds were domestic and 754,444 pounds were foreign. This surpasses even the record of 1892, when the sales were 1,897,437 pounds. These sales all represent actual transactions, but as many of them are sales to speculators the delivery movement more accurately represents consumption.

The total receipts of wool in Boston were 577,377 bales, of domestic, against 541,364 bales of domestic in 1894 and 521,981 bales of foreign, against 502,359 bales of foreign in 1894. The American crop in 1895 was but 294,296 pounds, against 325,197 pounds in 1894.

The latest treasury statistics show we imported 21,057,098 pounds of foreign wool in the first ten months of 1895, against 23,237,270 pounds in the first ten months of 1894.

The exports of American wool were 4,777,303 pounds, against 5,445,949 pounds in the first ten months of 1894.

The stock on hand in Boston is 41,651,000 pounds of domestic and 11,175,000 pounds of foreign, against 32,416,000 pounds of domestic and 10,755,000 pounds of foreign at this time last year.

A complete canvass of every state and market in the country shows that the total stock of wool on hand is 102,257,000 pounds of domestic and 31,533,000 pounds of foreign, against 99,838,000 pounds of domestic and 32,654,000 pounds of foreign last year, a net increase of 1,674,000 pounds.

## Another Record Breaker.

Haverhill, Mass., Dec. 27.—The shoe year, which ended yesterday, shows another record breaker, and this city still retains the lead as the largest shoe producer in the world. The record of shipments for the year is 358,919 cases, which is an increase of 19,107 over that of last year. The shipments for 1894 were the largest previously known, being 347,803 cases, and this was accomplished during the busiest sale that has ever been known locally. The shipments last year were an increase of 11,363 cases over those of 1893, and the figures of the increase this year are most surprising when the labor troubles and the big strike of last January are considered. During that time the six largest firms in the city were doing comparatively little business.

## Negroes Killed in a Train Wreck.

Athens, Ga., Dec. 27.—W. O. Smith and D. Wood, firemen on the Georgia Pacific, and a brakeman of the name of Doyle, all negroes, were killed in a freight train collision near Peyton, Ga., yesterday. Engineer Wood, white, was seriously injured.

## SCHOLARS MADE HAPPY

At St. Paul's Sunday School Festival Last Evening.

The annual Christmas festival of the older members of St. Paul's Sunday school, fully 300 in number, was held in the Sunday school room of the parish house last evening. The galleries were thronged with the parents and friends of the scholars. The festival was opened with the singing of a carol, "Gather Around the Christmas Tree," followed by a march about the trees by twelve young maidens dressed in gowns of light blue trimmed with silver and each carrying a wreath of the city and state. After the above the recitation, Rev. E. S. Lines, made appropriate remarks for the occasion. Then loud knocking was heard and the Santa Claus of the occasion was announced by Mr. Lewis Chandler, who let the welcome visitor in. Santa Claus was asked several questions in regard to his tour about the world, after which he shook hands with the many scholars and then stood on the platform and helped distribute the presents. Every scholar was given a present, and a box of candy and an orange. The carols were sung very well by the children, Mr. G. Chadwick Stead leading. Prof. F. A. Fowler presided at the piano. The role of Santa Claus was taken by Stephen Dine, an assistant in the Sunday school. Credit is due the committee and the ladies who assisted for the exceptionally fine way in which the exercises went off, and for the handsome decorations of the trees. The committee was Mr. Charles F. Curtis, Mr. H. F. Briggs and Mr. E. S. Osborn.

## By Ex-Communion Beers.

Ten years ago, W. A. Beers, then a member of the board of common council, conceived the idea of the members having their photos made and suitably framed and presented to the city and placed on the walls of the council chamber. The proposition was accepted and the photos were made and so disposed of. Since that time several frames of photos of the council members have been made and placed in the council chamber. Mr. Beers has been again delegated to make a similar frame of photos of the members of the council of 1895, the same when completed to be in like manner added to the collection. Mr. Beers has the work nearly completed, and in a short time it will be ready for the members. The frame will contain forty photos, including those of the city sheriff, clerk of the council, page and a large photo in the center of the frame of President Nicolai.

## IT WAS BREEZY.

Each Damage by Wind—A New Brick House Unroofed—Many Chimneys Blown Down—Other Damages.

The severe wind storm which struck this place yesterday morning was very destructive. A new brick house on Greenwich avenue, the property of Mr. Thomas Cronin, of 174 Land-street, was greatly damaged. The roof was blown off and part of the walls broken in. The roof was covered 150 feet and landed in the middle of the street. It was a three-story brick house, 25 feet wide, 40 feet deep and 30 feet high. The loss is estimated at about \$1,500.

Two iron smokestacks at Widdowson's brewery in Allington and one at Widdowson's brewery on Oak street were blown down. A large maple tree at 59 Wall street was leveled to the ground, and a pine tree in a yard at the corner of Ward street and Davenport avenue was torn up by the roots. Trees were blown down on Elliott, Commerce and other streets. Chimneys in several parts of the city were snapped off at the ridgeboards, and in a dozen streets walks were blocked yesterday morning by limbs that had been wrenched from trees. Signs on Chapel and other streets were broken from their fastenings. The roof was blown off a freight car at Bella dock and many of the sheds were seriously damaged.

At the house of Mr. Louis Weckesser on Bishop street a new chimney fifteen feet high was blown down, and a portion of a part of the cornice of Mr. Klein's house next door.

## A NARROW ESCAPE.

Malcom Hemion Dragged Two Blocks by a runaway Horse.

M. Hemion, a driver for Johnson & Brother, the State street grocers, had a very narrow escape Thursday afternoon. He was driving up Meadow street and when near the corner of Water street the front wheel on the right side of the wagon broke, throwing Mr. Hemion off and frightening the horse. Mr. Hemion's foot caught in the axle and he was dragged over two blocks before the horse was caught by a passerby. He was taken into a restaurant near by and Dr. Malhouse was summoned. The doctor after examination found that no bones were broken, but he feared that there were internal injuries.

Mr. Hemion was removed to his home. His injuries proved not to be serious, although he was painfully bruised in many places.

## Fell 350 Feet.

Baker City, Ore., Dec. 27.—Thomas O'Donnell, a miner, aged twenty-three, employed at the Virtue mine, fell down a 350 foot shaft on Wednesday night and was dashed to pieces.

## Lake Saltontail.

The committee appointed by the superior court, consisting of C. S. Canfield, ex-Senator James Graham and H. D. Lindsey of Branford, continued the hearing in the lake saltontail case this morning on the condemnation of land at Lake Saltontail, which is wanted by the New Haven Water company. Yesterday morning the Water company introduced evidence fixing their estimate of value of the property. Edward C. Beecher, the real estate dealer of this city, testified as an expert for the Water company.

## Laid to Rest.

Funeral of John H. Connor.

The funeral of John H. Connor of 137 State street was largely attended from St. Paul's church yesterday morning. Father Mulholland was celebrant of the mass, Father Shanley deacon, Father O'Connor sub-deacon and Father Russell master of ceremonies. The interment was in St. Bernard's cemetery. The bearers were Daniel Khusella, William Carter, B. McDermott, Richard Connon, Cornelius Healy and John Richardson. It was one of the largest funerals in Fair Haven in a long time and many are the friends who will long cherish the memory of the deceased.

## Cuban Leader Aches Shot.

Madrid, Dec. 27.—A dispatch from Havana says that the insurgent leader Ache was shot yesterday at Cienfuegos. The return of General Martinez Campos to Havana is much commented upon here.

## Missed \$10,000.

The heirs of Michael Garland of this city missed a comfortable fortune by his death two weeks before a large pension was granted to him. He died on November 8, and within a fortnight a pension amounting to about \$10,000 had been awarded him. Mr. Garland applied for it several months ago, naming the amount \$4,000. It was granted him with interest and back pension money for thirty-one years. As his wife was dead, and both his children had attained the age of sixteen years the pension reverted to the government. Joseph Garland of 657 Grand avenue made application, through his counsel, James E. O'Connor, for reimbursement amounting to about \$300 for expenses of his father during his final illness and funeral, which is allowed in cases similar to this.

## Baseball News.

Mr. "Doc" Sullivan, the manager of New Haven's coming baseball team, is receiving very reasonable concessions from Mr. Hubinger in regard to the grounds for the team. Much news will be given out today by Mr. Sullivan, as he is to complete and sign contracts.

## The Late Mrs. Chatterton.

"Dec. 25.—Entered into the rest of paradise, Mary Josephine Chatterton." How many sad and sorrowing hearts read that brief notice. It is a very wide circle of friends who will be mourned and missed. A sweet and saintly woman, a devoted mother and daughter, a true and tender friend, has passed away and joined the mother throng of loved and admired ones. Chatterton was an unusually lovely, Christian character with rare gifts of mind and heart, and the heartiest sympathy of all who go forth to the sons and daughters bereaved of such a mother. She has gone from all she so loved on earth, but though dead she will ever live in our hearts, a sweet and precious memory.

## COURT RECORD.

Superior Court—Judge Hall.

A decree of divorce from Dr. William H. Hotchkiss was yesterday granted to Mrs. Elizabeth H. Hotchkiss in the superior court.

Judge Park was appointed a committee in this case several months ago, and he rendered a report upon which the decree was passed. The plaintiff asked for a divorce, claiming three years' desertion. Dr. Hotchkiss in his answer declared that he had obtained a decree of divorce from the plaintiff in Missouri in August, 1892.

The decree which was passed gave Mrs. Hotchkiss an absolute divorce and alimony. The counsel for Mrs. Hotchkiss were Tyler & Moran, and Lynde Harrison was counsel for Dr. Hotchkiss.

It will be remembered that Mrs. Hotchkiss was a Miss Voss. She for several years conducted a German kindergarten in Grove hall. Dr. Hotchkiss married Miss Voss in Germany, but the fact of their marriage was not announced upon their return. Mrs. Hotchkiss continued under the name of Miss Voss to teach school. It subsequently transpired that they were married, but they have not lived together since. The amount of alimony granted is not known.

HABEAS CORPUS PROCEEDINGS.

Additional arguments were yesterday heard in the habeas corpus proceedings of Mrs. Julia Dill to secure the custody of her four children from her former husband. No decision in the case has yet been given.

## Probate Court—Judge Cleveland.

The hearing on the claims against the estate of the late Howard H. Haiscom of Fair Haven was continued in the probate court yesterday. Captain James M. Seaman, who had a claim against the estate, withdrew it.

## J. BIRNEY TUTTLE TRUSTEE.

In the probate court yesterday morning J. Birney Tuttle was appointed trustee on the residuary estate of Max Goldstein, clothing on Congress avenue. Mendel Heiman had been proposed for the trusteeship, but yesterday morning he was opposed by some representing creditors. Harry W. Asher, who represented some creditors, said he had heard that Goldstein had conveyed some of his goods, and he believed it would be better to have a trustee not a friend of the insolvent. Heiman, he said, was a friend of Goldstein's, and he believed it would be better for the creditors if some other man received the probate appointment.

## City Court—Criminal Side—Judge Dow.

Alfonso Salvatore, indigent expense, continued to December 28; William Cummings, theft, bound over to the supreme court, January term, \$300 bonds; John Halsey, breach of the peace, \$2 fine, \$4.42 costs; John P. Shanley, same, \$10 fine, \$6.68 costs.

## Court Notes.

STUD FOR DEBT.

Athenas Fortunes of 141 Olive street has brought suit against Demetrius Fortunes, his brother, and Charles Fryer for \$200, alleging that he lent them \$75 a month ago and that the debt was not paid according to agreement. The case is returnable before Justice C. H. Hayden December 31. Robinson & Fisher will appear for the defendants and Paul Russo for the plaintiff. Goods of the defendants, who are olive street dealers, have been attached to cover the amount claimed.

The latter refused to testify against Fiero in the city court yesterday, but Dr. Cahill, who attended Denno, said that the wound was caused by a knife. Denno said he received his injuries by a fall.

## MRS. BRADLEY'S WILL TO BE CONTESTED.

The will of Elizabeth Bradley was filed for probate yesterday and notice of contest was given by John Thompson, her brother, of Manchester, England. The testator was the wife of Richard Bradley, and leaves also two sisters, Annie and Fanny Emory. She leaves the life use of her entire property to her husband, after whose death it is to be equally divided between John Thompson and the Breverton Cemetery association. The request to the cemetery is to be used for a monument. The sisters are out of a monument. The date for the hearing was fixed at January 29.

## IS PER CENT DIVIDEND.

The affairs of the Edge-wood company, whose factory was on Goff street, were formally closed yesterday by an order from Judge P. B. Hall. A dividend of 18 per cent was ordered to be paid on or before January 6. The receiver, H. C. Warren, filed his return, which showed that the balance now on hand with which to pay the dividend is \$8,244.45. The total claims allowed were \$44,923.34 and the inventory returned was \$1,792.39. Mr. Warren was allowed \$1,000 for services as receiver.

## Not Yet a Member.

Charles Wilson, who was connected with the accidental shooting of Miss Minnie Bassett on Christmas day, is not a member of the Fayette club, as was erroneously stated in an afternoon paper. Though the Fayette club is composed of young men, Wilson has not yet reached the age which would make him eligible to membership.

Armenta, the applicant of William Murray and W. B. Clark were rejected.

The Windsor avenue Congregational church of Hartford has elected a call to the Rev. Harry R. Miles of this city. Mr. Miles is thirty-one years old, a graduate of Harvard university, the Yale theological seminary and earned a doctorate of study at Halle and Halle in Germany. For a little more than two years past Mr. Miles has been a student pastor at the Rev. T. T. Munger of the Federal church in this city, where his work has been largely of a literary nature. Last week he declined the call of the committee of the Congregational church of Williamam to take that pastorate.

## Frothy Robbers Captured.

San Francisco, Dec. 27.—Three of the four robbers implicated in the hold-up of a Mission street trolley car on Christmas evening, when Robert Clark, J. Brown and Peterman Joseph were wounded and the former relieved of a large amount of currency, were captured last night and are now lodged in the city prison. They are Joseph Middleman and Henry R. Gardner, members of the KKKKK department, and Patrick Welch of this city.

While engaged in inspecting the temple under way at early this morning, a patrolman, Willie Adams, of a street protruding from the end of Union attempting to dislodge it, he discovered beneath a bench containing a considerable amount of coin.

The find was reported to the police and it was decided to station policemen in the vicinity in the hope that the robbers would return at low tide to recover the plunder. The theory proved correct. The three highwaymen appeared in the scene early in the evening, and as they found the spot where the money had been found, the policemen closed in upon them, capturing them without difficulty.

They were brought into the city and a confession secured from one of the number, who disclosed the name of the fourth robber and the history of the plot. All of the stolen currency has been recovered.

## Narrow Escape from Drowning.

Vienna, Dec. 27.—While Princess Louise Sophie, wife of Prince Frederick Leopold of Prussia, was skating with the Baroness Colmar, one of the ladies of the Prussian court, near Grinblatt Lake, Babelsberg, today, the ice gave way and the princess and baroness were thrown into the water, which was very deep. A witness of the mishap named Hankwitz endeavored to rescue them with the aid of a pole, to which the ladies clung, but the ice kept breaking away and threw Hankwitz also into the water, all three being in danger of drowning. A son of Hankwitz ran to the rescue and with the aid of a ladder succeeded in saving the ladies and his father. The princess and baroness were carried to the castle of Prince Frederick Leopold in an exhausted condition, but they are recovering from their shock and exposure.
